The Youth Theatre Wardrobe

Who's it for

The Youth Theatre Wardrobe specialises in hiring costumes for children & young people to schools, youth theatres, and drama & dance companies.

What's available

We have a vast collection of costumes built up over the last 30 years. We have an abundance of costumes for large ensembles as well as individual characters.

Most of our stock is for established musicals, but we also have a collection of authentic items from the early 1900s to the 1980s.

How does it work

We'd advise you to come and visit The Youth Theatre Wardrobe. The images above are a guide to this production, however there are many other combinations and design possibilities available. We often find that hirers are inspired by what they see, and tend to design their production around our stock.

What's the cost?

An individual costume will cost £18 to £25. Some accessories are an extra £5.

Location

The Youth Theatre Wardrobe is based in the centre of Petersfield, Hampshire – minutes from the A3 and mainline train station.
